

Refer a Friend to ServerPlex and make \$250!*

Know someone who could use our help? ServerPlex Networks is the premier IT solutions company for small to medium-sized businesses. **Refer a Friend to ServerPlex and make \$\$\$.**

Its that simple! Your friend will be covered with a remarkable IT service and you will have extra spending money!

* If your friend signs a contract for our managed service program you make \$250. You'll earn \$25 for any 1-time service referrals.

New customer must sign up for a minimum of 5 computers and 1 server.

If you know someone else who could benefit from the SP Advantage IT Support, please fill out the form below with their information. This information is private and will not be shared with any other company, individual, or entity.
